stowed upon no, for which I most cordially tender my singere thanks, and hope to be sustained by a generous public, in this extensive enterprise.

C. STIGLEMAN.

P. S.—I now have associated with me in the business Messrs. Adams & Miller. Mr. Joseph A. Miller is favorably known as the best consulting Civil Engineer, Draftsman, and Designer of all kinds of Machinery and Itulidings in this country; and we will at all times be ready to give plans, greeiness and estimates for Flourgive plans, specimens, and estimates for Flour-ing Mills, Circular Mules and Sash Saw mills, Distilleries, Railroad and Hydraulie works, and all kinds of machiners. Also, furnish and put up the same in complete order, at such prices as cannot fall to give satisfaction.

STIGLEMAN, MILLER & CO.

West.

THE subscriber is now making the tour of a Northern Illinois, Wisconsin, Minnesota, Iowa and Kansas, with competent Lagineers and Millwrights, and is prepared to furnish Circular Saw Mills and Engines, both Portable and Stationary, and all the fixtures complete, and set them running, and warrant them to cara from \$50 to 80 per day, in from \$1.400 to \$2.500, according to the size of the Engine.

These Mills stand unrivalled in the annuals of Lumber Making Machinery, for efficiency, economy and durability.

Sash or Mulay Mills removed, and Circular Mills set running in one week's time, for from \$400 to \$500, and \$600be the product of the former Mill guarantied, and the expense for repairs reduced 18-20.

I have also made arrangements with Eastern

anufacturers, by which I can furnish Machine-of all kinds, from 10 to 20 per cent. below

On the opening of navigation in the spring, I shall send to Messrs. Allen & Gillmore, Lawrence, K. T., a large assortment of Breakers of all sizes, especially of any extra Two-Horse Mold Board of Breakers, which has received the highest commendations fromall who have used them also a great variety of Stirring, er old Ground Plows, among which I would mention the Improved Clipper, the No. 4 or Eng. castee Plow, and the Michigan Double or Subsoil Plow, which should receive the especial attention of those who wish to raise a crop the first year. I have made some improvements on this plow from last year, for I believe it is now perfect to be used in Western soil. Also Corn Plows, Cultivators, double and single Shovel Plows, Rolling Cutters and Clusps, Gauge Wheels, Truck Wheels, and

and Clasps, Gauge Wheels, Truck Wheels, and other fixtures.

The quality of the stock used in my plows is not equalled by any establishment in the West, and the plows are finished in a very superior tyle.

Having been engaged for eighteen years in the nanufacture of plows for use in the Western states entirely, I can confidently say to emigrants roun the Lastern States, that these plows self-cour and work perfectly in any soil in the Misissippi valley.
All orders addressed to Allen & Gillmore.
